Hunting season is almost here and this cabin could be perfect for you and your family. Sitting on 30 acres m/l with a creek, waterfall, and seasonal pond. The cabin is a work in progress with a newer metal roof. Currently a 1 bed 2 bath, there is an unfinished loft that could be 2 more bedrooms. A bathroom is up in the loft as well but needs finishing. There are tree stands and feeders all over with ample deer and turkey. There is an orchard with pears, apples, cherries and peaches. Get em before the deer do.
